Mobile Payment Solution Bundle

MP-IN200T

suited for mobile services, mobile sales, trade show sales, market sales, personal transport, and more

ROI Example in Mobile Services: Swiped Rate versus Keyed Rate

Number of Service People?	1	10
Number of Work Days Per Week?	6	6
Number of Orders Per Day?	4	40
Average Amount Per Order?	\$300	\$300
Daily Total	\$1,200	\$12,000
Monthly Total	\$31,200	\$312,000
Monthly Credit Card Authorizations		
- Keyed Rate Cost @ 2.75%	\$858	\$8,580
Monthly Credit Card Authorizations		
- Swipe Rate Cost @ 1.75%	\$546	\$5,460
Gross Monthly Savings	\$312	\$3,120
Monthly Solution Bundle Cost	\$176	\$1,760
Net Monthly Savings*	\$136	\$1,360
Net Annual Savings*	\$1,632	\$16,320

* Note additional savings would occur based on the elimination of charge backs.
